got any
questions?

What does a Syndicate Manager do?

The main areas are setting up the team, collecting the money, checking results and keeping everyone updated. It's also important to make sure the Syndicate Agreement is completed and up to date.

How do we buy tickets?

Play in-store or online. The choice is yours. Simply buy tickets the usual way from your local retailer, or open a National Lottery Account and play online from anywhere.

Is there a maximum number of people, tickets or lines?

You can include as many people as you like, and get as many lines and tickets as you want from retailers. If you're playing online, you can purchase up to 35 lines at a time by selecting 'Add more lines' at the bottom of the online play slip.

Do syndicates need to register with Camelot?

No, but the Syndicate Manager needs to register as a player if you are purchasing numbers online. It's also important that each member of the syndicate fills in the Syndicate Agreement to save on any complications later.

How are prizes paid to syndicates?

Prizes are paid in the normal ways to the Syndicate Manager, who is then responsible for distributing the winnings.
